## SPECIAL USE PERMIT REVIEW

### Background

Hastings City Code Chapter 155.32, Subd. C.6 – allows cannabis retailers and edible retailers as a “special use” within the C-4 Zoning District, subject to the requirements of 155.07, Subd. J as follows:

2. *Performance Standards.*
  - a. A cannabis business shall only operate in an authorized zoning district with approved State and local license or registration.
  - b. Any person selling or distributing cannabis products shall require proof of age by means of government issued photographic identification from the prospective purchaser showing purchaser is twenty-one (21) years old or older.

- c. Signage identifying the legal sales age and the age verification requirement shall be posted at the point of sale. The required signage shall be posted in a manner so that it is clearly visible to anyone who is considering or making a purchase. The sign shall provide notice that all persons responsible for selling these products must verify the age of any person under thirty (30) years of age, by means of photographic identification required in this section, containing the bearer's date of birth.
- d. Cannabis products must comply with the testing, labeling and packaging requirements in Minnesota State law.
- e. No sales or distribution of intoxicating cannabis products shall be allowed at the licensed premises after 10:00 p.m. or before 8:00 a.m.
- f. It shall be unlawful for a retailer to allow the sale of intoxicating cannabis products or cannabis related devices by any means whereby a customer has access to such items without having to request the item from the retailer or the retailer's employee. There shall be a physical exchange of the intoxicating cannabis product or cannabis-related devices between the retailer or the retailer's employee and the customer. All intoxicating cannabis products and cannabis-related devices shall be either store behind a counter or other area not freely accessible to customers, or in a storage unit or case not open and accessible to the general public.
- g. All retail establishments of intoxicating cannabis products shall have a security plan approved by the Police Chief stating how the facility will address public health, welfare and safety concerns including, but not limited to security, fencing, lighting, window coverings, door placement, and landscaping.
- h. **Compliance Checks and Inspections**  
All licensed premises must be open to inspection by the local law enforcement or other authorized City officials during regular business hours. From time to time, but at least once per year, the City will conduct compliance checks on Retailers and Edible Retailers of intoxicating cannabis products by engaging persons between the ages of seventeen (17) and twenty-one (21) years, to enter the licensed premises to attempt to purchase intoxicating cannabis products. Persons used for compliance checks are not guilty of the unlawful purchase or attempted purchase, nor the unlawful possession of intoxicating cannabis products when the items are obtained or attempted to be obtained as a part of the compliance check. No person used in compliance checks may attempt to use a false identification misrepresenting the person's age, and all persons lawfully engaged in a compliance check may answer all questions about the person's age asked by the retailer or his or her employee and shall produce any identification, if any exists, for which he or she is asked. Nothing in this section prohibits compliance checks authorized by State or Federal laws for educational, research or training purposes, or required for the enforcement of a particular State or Federal law.

### 3. *Prohibited Acts.*

- a. It shall be unlawful for any person to sell, purchase, obtain or otherwise provide any intoxicating cannabis product to any person under the age of twenty-one (21).

- b. It shall be unlawful for any person under the age of twenty-one (21) to possess any intoxicating cannabis product. This chapter shall not apply to persons under the age of 21 lawfully involved in a compliance check.
- c. It shall be unlawful for any person under the age of twenty-one (21) to use or consume any intoxicating cannabis product, unless it is legally authorized medical cannabis.
- d. It shall be unlawful for any person under the age of twenty-one (21) attempt to disguise the person's true age by the use of a false form of identification, whether the identification is that of another person or one in which the age of the person has been modified or tampered with, to represent an age older than the actual age of the person, in order to purchase any intoxicating cannabis product.
- e. No adult-use cannabinoid or cannabis product may contain more than 0.3% of THC
- f. No edible cannabis product can contain an amount of THC that exceeds the per serving or per packaging requirements in Minnesota State law.
- g. No intoxicating cannabis product may be sold to an obviously intoxicated person or a person under the influence of a controlled substance.
- h. No one under the age of twenty-one (21) shall sell intoxicating cannabis products.
- i. Intoxicating cannabis products cannot be sold in vending machines, by transient merchants, peddlers, at a movable place of business, through a drive-through window, at special events, home occupations, by internet sales or delivery service.
- j. No sampling or free donation or distributions of intoxicating cannabis products is allowed.
