## Parks & Recreation Commission Memorandum

To: Parks & Recreation Commission Members  
From: Barry Bernstein, Parks & Recreation Director  
Date: 3/5/2012  
Subject: County Road 46/47 Proposed Trail Update

### **Commission Action Requested:**

None-Update

### **Background Information:**

City Staff conducted a neighborhood meeting with the surrounding neighborhood who may be impacted by this proposed trail project on Wednesday, February 29 at Pleasant Hills Liabrary. The neighborhood meeting was lightly attended and staff attributes this to the information we sent to residents prior to the neighborhood meeting. Of the two families who did attend, City Staff feels we have addressed their concerns and are moving forward with this project. I hope to present the trail concept and seek City Council approval to develop construction documents and seek bids for this project at the March 19th City Council meeting.

### **Financial Impact:**

The City has received a grant from the MN DNR Local Trails Connection Program for \$100,000, cost participation from Dakota County at 20% of the project with regional trail significance that is outside of right of way and Dakota County Safety Program cost share. The City of Hastings will provide funding for the remaining balance of the project.

### **Staff Recommendations:**

To seek PRC input

### **Parks & Recreation Committee of Council Discussion:**

A meeting of the Finance Committee will be held on Wednesday, March 7th
