**To:** Mayor Hicks & City Councilmembers  
**From:** Michael T. Schutt, Fire & EMS Director  
**Date:** February 20, 2013  
**Item:** Scholarship from Flint Hills Resources for Firefighter Training

**Council Action Requested:**

Council is asked to accept a scholarship from Flint Hills Resources, with the intention of sending Paid-On-Call Firefighter/EMT Matthew Yokiell, to attend this training, located at Refinery Terminal Fire Training Academy, in Corpus Christi, Texas.

**Background Information:**

Flint Hills Resources has long been a supporter of area fire departments. Over the past 17 years they have offered similar scholarships such as this to Hastings. Aside from having two refineries in our mutual-aid response area, flammable fuel fires are a part of our everyday response concern.

**Financial Impact:**

There is no financial impact to the city. Flint Hills Resources will sponsor all financial obligations associated with this training, including travel and lodging.
