Council Action Requested: Council is asked to accept a scholarship from Flint Hills Resources with the intention of sending Firefighter/EMT Robert Wargo to attend this training which is located at the Refinery Terminal Fire Training Academy, in Corpus Christi, Texas. The training will take place in late February 2017.

Background Information: Flint Hills Resources has long been a supporter of area fire departments. This weeklong training involves many different hands-on scenarios involving flammable fuels. These types of fires are a part of our everyday response concern. The Hastings Fire Department is very grateful for the support Flint Hills has provided us over the years and for this great training opportunity.
