

***Planning Commission
Memorandum***

To: Planning Commission

From: John Hinzman, Community Development Director

Date: April 24, 2017

Item: Downtown Parking Analysis of Existing Conditions

COMMISSION ACTION REQUESTED:

Staff will present an analysis of existing Downtown Parking conditions at the meeting for review and discussion. The parking analysis was conducted to determine the following:

- Inventory of available public and private parking.
- Parking usage during various time periods and days of the week.
- Areas of higher concentration of use.
