Item: Accept Scholarship from Flint Hills Resources for Firefighter Training

Council Action Requested: Council is asked to accept a scholarship from Flint Hills Resources with the intention of allowing Captain/Paramedic Ryan McGraw to attend this training which is located at the Refinery Terminal Fire Training Academy, in Corpus Christi, Texas. The training will take place in February 2019.

Background Information: Flint Hills Resources has long been a supporter of area fire departments. This week-long training involves many different hands-on scenarios involving both pressurized and non-pressurized flammable fuels. These types of incidents are a part of our everyday response concern. The Hastings Fire Department is very grateful for the support Flint Hills has provided us over the years and for this great training opportunity.

Financial Impact: Aside from regular wages, there is no financial impact to the city. Flint Hills Resources will sponsor all financial obligations associated with this training, including travel and lodging.
