From: Justin Fortney, City Planner
Date: February 4, 2019
Item: Heritage Preservation Commission- Resignation

Council Action Requested:

The City Council is asked to accept the resignation of HPC Commissioner Jake Hauck.

Background Information:

Commissioner Hauck has served on the HPC since filling a vacancy in February, 2017. There was one year left on this three year term.

Commissioner Hauck was a valuable new commissioner, but has unfortunately moved just outside of Hastings City limits. HPC requirements stipulate a commissioner must reside within the City of Hastings.
