

City Council Memorandum

To: Mayor Fasbender & City Councilmembers

From: Kori Land & Matt Ziebarth, City Attorney's Office

Date: August 5, 2024

Item: Mobile Food Unit License Application Hearing - Gregory Brannon (G's Sweet Truck)

Council Action Requested: Conduct a hearing on the license application for a Mobile Food Unit for Gregory Brannon to operate G's Sweet Truck

BACKGROUND INFORMATION

Gregory Brannon ("Applicant") has applied for a Mobile Food Unit ("MFU") license to operate an ice cream truck within the City of Hastings under the name of G's Sweet Truck, which serves ice cream (Attachment 1).¹ Mobile Food Unit licenses are typically approved administratively by the City Clerk, unless the City Clerk recommends denial. When a denial is recommended, the Council must hold a hearing and make the decision on the license application. Following a background check on the Applicant and based on other information received from internal City departments, the City Clerk is recommending denial of the Applicant's license. The Applicant was notified of this hearing (Attachment 2). Following the presentation provided by the City, the Council should offer the Applicant an opportunity to be heard. The Council can ask questions at any time during the hearing. At the conclusion of the hearing, the Council should make a decision and act on the license application.

DISCUSSION

In order to operate a Mobile Food Unit, a license from the City is required.² Background checks are required for Mobile Food Unit license applications and, following receipt of the background investigation from the Hastings Police Department, the City Clerk is recommending denial. Background investigations are not public data, but the public portions of the results of the investigation will be provided to you for purposes of this hearing.

¹ G's Sweet Truck L.L.C. was administratively terminated by the Minnesota Secretary of State on February 8, 2023, and remains inactive.

² City Code Section 110.20.C

The City Code provides several grounds for denying a MFU license,³ many of which are applicable in this matter and will be addressed below.

1. Operating without a Mobile Food Unit License, which is a violation of City Code Section 110.20.D

City Staff became aware that Brannon was operating an ice cream truck without a license in approximately the spring of 2023. On April 12, 2023, the City contacted Brannon by email to inform him that a license is required to operate his ice cream truck within the City. The email included an application form. (Attachment 3) Brannon did not submit his license application form, but was found at various events in the summer of 2023 conducting his mobile food unit operations. The City's Recreation Programming Specialist provided a timeline of the City's interactions with Brannon (Attachment 4):

- On June 6, 2023, Brannon was discovered attempting to operate his ice cream truck at the Summer Kick Off event in the City. City staff informed Brannon that the events were invite-only, and he was asked to leave.
- On June 14, 2023, Brannon was attempting to operate G's Sweet Truck at Storytime in the Park. City staff informed Brannon that they already provided snacks at the event and again asked him to leave. Brannon told City staff that he "had a license", and Brannon subsequently attended most of the Performances in the Park events in 2023.

City Staff contacted Brannon again in September 2023, and provided another license application form. On October 4, 2023, Brannon submitted a license application to City Staff. He was informed that before he could operate his business, a criminal background check for Brannon and his employees was required, and also noted that he failed to provide a certificate of insurance (Attachment 5). Brannon did not respond to this email, nor the subsequent email sent to him on October 17, 2023.

On April 26, 2024, Brannon submitted a license application (Attachment 1) which did not have a certificate of insurance, or a copy of the Department of Agriculture license. After many emails to try to obtain additional information, City Staff received a new copy of a license application from Antonia Silva, an employee of Brannon's for G's Sweet Truck. Silva submitted only portions of the license application on behalf of Brannon (Attachment 6), and it still lacked the documentation needed for City Staff to process the application, including insurance information, therefore, the license application was incomplete. Despite not being issued a license:

- On May 30, 2024, Brannon and Silva served ice cream at the Middle School. In the email with City Staff, Silva admitted they served at the Middle School, but claimed she did not know they needed a "permit" (Attachment 7).
- On June 13, 2024, Brannon was observed at the Music in the Park event in the City with his ice cream truck. Brannon was escorted out of the area by the Hastings Police Department (Attachment 4).

³ City Code Section 110.03.F, Section 110.20.E

On June 14, 2024, the City Clerk sent a compliance notice to Brannon alerting him that his attempt to operate G's Sweet Truck without a license was a violation of Hastings City Code, and that he must cease operating immediately or he may receive an administrative citation (Attachment 8).

- At the 4th of July parade and fireworks at Hastings Golf Club, Brannon was seen with his ice cream truck and was asked to leave the premises by the Hastings Police Department.
- On July 11, 2024, Brannon was photographed operating his ice cream truck in the South Pines neighborhood of Hastings (Attachment 9).

On July 16, 2024, the City issued Brannon an administrative citation for violating City Code § 110.20.C for operating without a license and imposed a \$500 penalty (Attachment 10).

Brannon sent an email to Mayor Fasbender on July 17, 2024, asking her to intervene on his behalf, stating that the City Staff should issue his license. In that email, Brannon admits that he operated his ice cream truck at the Middle School on May 30, and that he had been doing so for the last three years. In addition, he admitted that he had been operating or attempting to operate at every City event for the last two years, even though *he knew* he did not have a license. (Attachment 11).

2. Failing to disclose criminal violations in violation of City Code 110.02.C.6; failing to truthfully provide information as part of the application process in violation of City Code 110.20.E.2

Hastings City Code § 110.02.C.6 requires all applicants to provide a sworn statement on the application and include “whether or not the applicant has ever been convicted of a felony, or misdemeanor, including a violation of a municipal ordinance but excluding traffic violations, and if so, the date and place of conviction and the nature of the offense.” Hastings City Code § 110.20.E.2 requires applicants to be truthful on the application. While Brannon admitted he had one drug “charge” in 2021, Brannon failed to disclose other felony and misdemeanor convictions on his application.

As part of the criminal history background investigation, which was required under City Code § 110.20.F.3, it was discovered that Brannon has been convicted of the following offenses in the last 4 years:

- July 15, 2020, Brannon was convicted of threats of violence with the intent to terrorize while in possession of a dangerous weapon. This was originally charged as 2nd degree felony assault, but after completion of probation on July 15, 2023, it was reduced to a misdemeanor (Attachment 12).
- Between 2016 to 2024, Brannon was convicted **9 times** of driving without a license, driving after suspension or driving after revocation (Attachment 13). Again, these offenses were charged as misdemeanor offenses but were reduced to petty misdemeanors. At least one of these offenses occurred while driving his ice cream truck.

3. *Failure to meet the Insurance Requirements for Mobile Food Unit License in violation of City Code 110.20.D.*

City Code §110.20.D.1 requires the applicant to provide a certificate of insurance covering commercial general liability, automobile liability and worker's compensation. While Brannon provided the City with a certificate of insurance, it does not have commercial general liability insurance as required (Attachment 14).

4. *Operating the business in violation of the laws of the State of Minnesota by failing to have a driver's license in violation of City Code 110.20.F.3*

After being told to leave the Hastings Golf Club on July 4, 2024, Brannon drove his truck out of the parking lot and was stopped by the Hastings Police Department. He was cited for driving his ice cream truck with a suspended license, which is a misdemeanor under Minnesota Statutes § 171.24 (Attachment 15).

5. *Questionable moral character or business reputation in violation of City Code Section 110.03.F*

City Code allows the Council to refuse to grant a license to any person of questionable moral character or business reputation.

- Brannon continuously ignored and disregarded City Staff's notices about the requirement to obtain a license, and repeatedly operated his business without a license in 2023 and 2024, which he admits.
- Brannon stated in his application that he had a criminal "charge" of drug possession in 2021, but he failed to disclose that this charge led to a conviction of 3rd Degree Possession of 50 or more doses of heroin, oxycodone, methamphetamine, fentanyl and other drugs. In addition, large amounts of cash and several guns were seized (Attachment 16).
- Brannon has had other criminal charges and/or arrests for the following offenses: felony drug possession (2010), Criminal Sexual Conduct (2018), Domestic Abuse No Contact Order Violation (2018), Disorderly Conduct (2021), and Felony Drug Possession (2023). It is important to note that there are no convictions in his criminal history for these offenses.

CONCLUSION:

Based on the above information, there are sufficient grounds to deny the license and we request that the Council adopt the attached Resolution denying the license.

Dear City of Hastings

I am writing to submit my application for a peddler's license in Hastings, Minnesota, for my ice cream truck business. I want to provide full transparency regarding my background.

In 2021 I encountered legal issues in another city, resulting in a charge of drug possession. I deeply regret the actions that led to this incident, and I have since taken significant steps to turn my life around and prioritize a positive and law-abiding lifestyle.

Following this event, I made the decision to leave that area and relocate to Hastings, primarily to be closer to my 4 children that lives in Hastings. Starting my ice cream truck business has been a transformative experience for me, allowing me to provide for my family while also becoming an active participant in the Hastings community.

Since establishing my business , I have been overwhelmed by the support and acceptance from residents and customers. It has been a privilege to serve the community and bring joy to families and children through my ice cream truck.

I understand the importance of maintaining public safety and trust, especially in the context of operating a business that interacts directly with the community. I am fully committed to upholding all local regulations and standards, ensuring that my business operates with integrity and responsibility.

I am more than willing to provide any answer or questions you may have regarding my background or my application for a peddler's license. I am deeply invested in contributing positively to the Hastings community, and I am eager for the opportunity to continue doing so through my ice cream truck business.

Thank you for considering my application. I look forward to the possibility of obtaining a peddler's license and continuing to serve the community of Hastings.

Sincerely,

Gregory Brannon

Good Afternoon,

My name is Emily, I'm the Deputy City Clerk for the City of Hastings. Towards the end of last summer it was brought to our attention that your ice cream truck operates within Hastings. The City of Hastings does require a peddler's license for ice cream trucks going place to place (door-to-door, street-to-street, etc.) conducting sales within the City. We're very excited nicer weather is upon us, so we want to ensure you are properly licensed to operate within the City.

I attached the Peddler's license application above, please feel free to send over any questions you may have.

Thank you,

Emily

Kori,

Here is some additional information. I had asked Paige for a summary of her interactions with him at city events (see below).

I have also attached an email that Emily sent to Brannon in April 2023 indicating that we discovered he may have been operating in 2022 and that he needed to get a license. This email followed a telephone call she had with him about the same topic. He did not submit an application until September 2023 as noted in the earlier timeline. They abandoned the 2023 application because they wanted to only background Silva and not him, and we require owner and possible workers.

While he complained to the Mayor that the 2024 application process is taking a long time, he should have started/completed the process quite a while ago.

Kelly,

- Yes, he told me he had a license last year – I even recall him pointing to a paper inside his truck – perhaps it was an MDH license
- His attitude was always cordial but disingenuous – like he was deliberately pretending to misunderstand.

Paige,

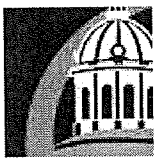

This is very helpful. A couple of follow up questions:

- He told you he had a license last year? (He applied but did not complete the application process.)
- I heard that he was less than pleasant on occasion. Did you have any direct interactions that were less than pleasant?

Appreciate your help!

Kelly,

Included is a list of interactions with Sweet G's Ice Cream Truck in 2023 and 2024.

Since I cannot recall all the instances, I have compiled a general list:

Summer 2023

Summer Kick Off, Tuesday, June 6th

Attachment 4 Pg. 3

- Asked to leave – communicated with Greg and another staff (white, blonde female) that Levee Park events are invite-only
- Schoolhouse Scoop was confused since they were told they were the only ice cream truck
- Greg said he would leave after his line went down

Storytime in the Park. Wednesday, June 14th

- Asked to leave – communicated with Greg that we already provide snack at Storytime in the Park
- He asked what events he could be a part of since he has his license and I outlined events where we do not have vendors and included Performances in the Park on Tuesday evenings
- Greg then attended almost all our Performances in the Park events

Rec+Art+Police

- Unsure of which one he attended, but did not end up interacting with him since I was too busy leading activities

Movie in the Park

- Unsure which ones he attended but he did show up to a few – Schoolhouse Scoop was supposed to be a vendor for Movies in the Park but didn't show up.
- I did not ask him to leave or have any interaction with him (primarily leading activities, setting up the movie system etc.)

Summer 2024

Music in the Park, Thursday, June 6th

- I let Greg know that our Music in the Park event already had a dessert truck (Floyd's Mini Donuts and Shaved Ice) and that our Makers Market on the 2nd and 4th Thursdays requires a special application and fee.

Music in the Park, Thursday, June 13th

- Talked with Officer Schowalter before the event and was advised to call 911 if he shows up
- I called 911 to report his attendance to an officer
- While waiting for an officer, my seasonal co-worker Ben Siebenaler directed people away from his truck and Ben reported that Greg seemed upset
- Greg left after an officer connected with him and asked him to leave

Paige,

As you may know, we have many experiences with the owner of the Sweet G's Ice Cream truck. I am wondering if you could note dates/behaviors related to your interactions with the owner when he would appear at events last summer and this year to date.

I know your plate is very full—if it would be easier to do this via telephone call, we can do that as well. Would that be possible in the next week or so?

Thank you –

Good Afternoon,

Thanks for stopping in today. I received the paperwork and started to look through it. For peddler applications, our City ordinance requires a background check to be performed on the owner (applicant) and their employees that will be operating the ice cream truck.

I will need you to complete the attached forms and have Antonia complete the forms again since her driver's license lists an address that is not listed as a previous address on the forms. Please have any additional staff complete the forms as well.

I also need an updated certificate of insurance that lists the City of Hastings as additional insured; I attached an example above.

Lastly, is the address listed on the COI and Minnesota Department of Agriculture License should be updated to reflect current residency.

Thank you!

Dear Emily King,

I am writing to sincerely apologize for the significant delay in turning in the necessary paperwork for my peddle license. I understand that my actions have caused inconvenience and frustration for both you and the relevant authorities, and for that, I am truly sorry.

I assure you that the delay was not intentional or a reflection of any lack of responsibility on my part. Unfortunately, unforeseen circumstances arose, causing unexpected complications and hindrances in collecting and completing the required documentation. While this does not excuse my tardiness, I want to emphasize that I have been actively working to rectify the situation.

I deeply regret any inconvenience this may have caused, particularly if it has affected your plans or caused you any additional workload. I am aware of the importance of adhering to deadlines and the impact my actions have on others, and I genuinely apologize for falling short in this regard. I am committed to ensuring that this matter is resolved promptly.

Once again, I sincerely apologize for the delay and any inconvenience caused. I understand the urgency and significance of this issue, and I appreciate your patience and understanding throughout this process. If there is anything else I can do to facilitate the resolution, please do not hesitate to let me know.

Thank you for your understanding, and I look forward to rectifying this situation as quickly as possible.

Yours sincerely,

Hi ! I came in this morning for a city application for the ice cream truck.

I was able too serve at the middle school today !

The school psychologist said she was sorry and that she didn't know we needed permits because they have been doing this for years and I guess it has never been an issue.

Me and Greg never received the application today by email. I came back in and receptionist helped print me one. When I tried turning it back in the doors were locked sorry I thought you were open till 430 ?

I took pto from my job at abbott for today and tomorrow . I'm a cardiac ct tech and we are super short staffed so taking this off wasn't ideal for the department .

So if you can please help us look into how to get one today that would be amazing !

Kelly-

I told Mayor that Sweet G Ice Cream had submitted some application but was incomplete as well as did not have a valid drivers license, that a permit had not been issued but he repeatedly and knowingly was selling without a permit, which these violations make it harder to justify a permit later, and that we would be recommending denying his application.

Subject: **Subject: Urgent Assistance Needed for Peddler's License Application**

Dear Mayor Mary,

Attachment 11 Pg. 2

X-E-01

I hope this message finds you well. I am writing to seek your assistance regarding my peddler's license application, which has been pending for several months with the City of Hastings. Despite completing all required paperwork, obtaining insurance, and fulfilling all other requirements, my application has not been processed, and my inquiries to the City Hall and the police department have gone unanswered.

This delay is causing significant hardship, as I am unable to conduct my business without the necessary license. This year I've missed out on thousands of dollars of events that was I was forced to leave by the city or the department. I've been attending the last day of school event for the middle school this is my third year and I was able to attend one of those days, but was not able to attend the second day due to no peddlers license by the next day, but I tried my hardest to get everything right for that event and was not able to get a peddlers license because they made it difficult for me to obtain one. I'm not sure what the department told the middle school but they wanted my ice cream truck at the middle school, but they did not want me on school property. I have nothing on my record that would prevent me from being able to attend. Missing the middle school and the fun run from elementary school event which I was invited to both I got prepared. I was ready to do the event and when I show up to the event, I was sent home immediately they never gave me advance notice about any of anything that they needed from me at that time so I wasted time getting prepared for the event by buying ice cream for the event just to get sent home with nothing, no advance notice and I felt like that was pretty messed up for doing that. They could've let me know in advance or told me I couldn't attend in advance, but as soon as I pull in to the event I was sent sent off. Another event that the department told me I couldn't attend was the Fourth of July at the Golf Course. This would've been my second year. They invited me last year and again this year and when I pull in the office told me I can't sell in Hastings because I don't have a license, but I have turned in all my information for the peddlers license paid my fee Insurance the city of Hastings with my commercial insurance and I wasn't able to participate in that either after I pull in there ready to get to work I was told I had to leave the Fourth of July already had all my paperwork filled out, turned in all my fees paid and I don't hear from the city for my peddlers license so I wasn't able to attend. I've also been making all the downtown events for the last two years and been kicked out of every single event downtown this year because I haven't got my peddlers license which I should have already. Talk about being embarrassed from pulling in and having to get sent out immediately from the events that I have attended years prior. It's making me look bad in front of all the residents or my so-called customers that love having the ice cream truck around Hastings. I believe my past is unfairly influencing the processing of my application, I've messed up in the past, but no longer live that life anymore. I changed my Ways for the better and doing what's right and be a law abiding citizen. I've been resident in Hastings since 2003. I have four daughters that live in Hastings as well that I needs to provide for. One daughter in 10th grade two daughters in elementary school and one that recently graduated a couple years ago. I also recently got I also recently got my drivers license reinstated so driving will not be an issue from me, and I am requesting your intervention to expedite this matter.

Your attention to this issue would be greatly appreciated, and I am more than willing to provide any additional information or documentation required to facilitate the processing of my application.

Thank you for your time and assistance.

Sincerely,
Gregory Brannon

STATEMENT OF PROBABLE CAUSE

X-E-01

On November 9, 2018 at approximately 5:41 p.m., a Hastings Police Officer responded to the area of 4th Street for a possible road rage incident. An officer made contact with J.G. J.G. explained that he nearly was run off the road by a vehicle containing multiple occupants. He described that this same vehicle had driven slowly by his residence several times. J.G. stated he went outside to investigate. He noticed the vehicle was now parked in front of the neighbor's home with its lights off and there were multiple persons inside the vehicle. J.G. entered his own vehicle and drove by the other vehicle parked on the street. He explained that as he drove by the suspect vehicle, the vehicle headlights turned on and the vehicle began following his vehicle. At one point, J.G. described that the suspect vehicle drove alongside his vehicle and swerved towards J.G.'s vehicle. J.G. stated he then called 911. J.G. was able to get behind the vehicle and obtained the license plate number. After J.G. was nearly run off the road by this vehicle, he stopped and the suspect vehicle drove off.

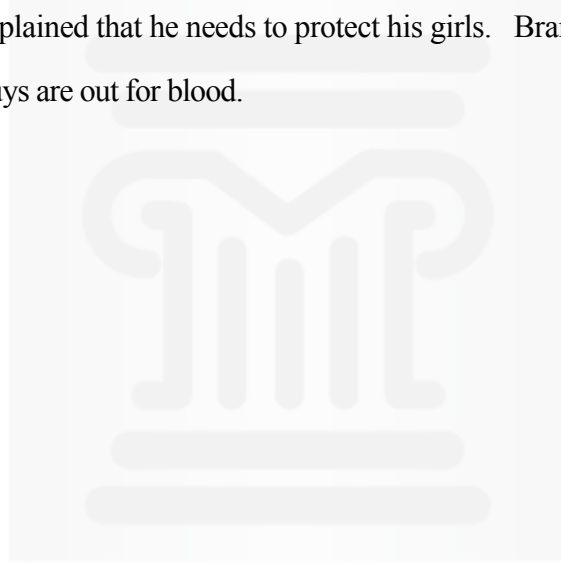

Dispatch received a related 911 call from L.A. indicating that there were men outside her residence brandishing firearms. Police responded to the residence on 9th Street, Hastings, Dakota County, Minnesota. Upon arriving at the residence, an officer spoke with L.A. There were five minor children also present at the residence. L.A. was visibly shaking and afraid.

An officer spoke with L.A. and J.G. They explained that they were inside their home when a vehicle drove by slowly and then drove by again multiple times. L.A. explained that after J.G. had left to investigate, the vehicle that was parked near their home (the suspect vehicle) returned to the area and pulled in front of her residence. She saw four men exit the vehicle. L.A. stated she observed the men pulling out long barrel firearms from their sweatpants as they approached her residence. She called 911 as the men walked toward her home. She observed the men walk to the side and back doors of her residence. She described that one of the men attempted to enter the residence through the side door. Another male attempted to enter the residence through the back door. When she heard police sirens, the men ran back to their vehicle. She stated she recognized one of the men as being Gregory Brannon. She stated Brannon had pulled out a long barrel firearm from his sweatpants as he and the other three men approached her residence.

L.A.'s minor son explained that his minor child friends were waiting outside for him in a vehicle when they were approached by four men. The child's friends described they saw a vehicle with its headlights off, drive by their vehicle as it was parked near L.A.'s residence. They saw four men exit the vehicle. One of the men told the children, "you should not be here." The children left the area. They recognized one of the men as being Gregory Brannon.

L.A. and J.G. told police they planned to stay the night away from the residence because they were not comfortable staying at home given what had occurred with the four men at their residence earlier that evening.

J.G. texted Brannon later that same evening, asking if this all was drug-related. J.G. confronted Brannon about bringing firearms and “crazy people” to J.G.’s residence. J.G. tells Brannon in the text that J.G. does not have any drugs belonging to Brannon. Brannon explained via text that there was cocaine missing and they want it back or someone is going to get “wacked”. Brannon explained that he needs to protect his girls. Brannon stated he doesn’t care who gets hurt as long as it is not mine, these guys are out for blood.

Attachment 12 Pg. 11

APPENDIX A

1. EHM – If you are placed on Electronic Home Monitoring as a condition of probation, you will be required to meet eligibility requirements and pay a daily fee to be on this program. If you do not meet eligibility requirements, you may be required to serve the EHM sentence in jail. If you violate the EHM Program rules or fail to pay the daily fee, you may be terminated from the Program and your probation may be violated.
2. Work-release – If you are sentenced to serve jail time in the Dakota County Jail, you may, at the discretion of the sentencing Judge, be permitted work-release privileges while serving this sentence. You must meet eligibility requirements of the Sheriff's Department and DCCC and pay the daily work-release fee. If you violate the rules of this program, you may be terminated from the program and your probation may be violated.
3. Jail Credit – If the sentencing Judge awards you credit for time served, you will be credited with the number of days specified in the Sentencing Order. If the credit is not specified in the Sentencing Order, then the number of days credited will be determined by the Sheriff's Department and/or DCCC.
4. Good Time – If you are sentenced to the Dakota County Jail or a state prison, you will be eligible to earn good time off of your sentence. Under normal circumstances, you will serve two-thirds of your sentence in jail. If you violate the rules of the correctional facility, you may lose all or a portion of your one-third good time, and you may be required to serve the entire sentence in jail.
5. Supervised Release – If you are sentenced to the custody of the Commissioner of Corrections to serve a sentence in a state prison, you will serve at least two-thirds of that sentence in custody and the balance, one-third or less, on supervised release. If you violate a condition of your supervised release, you may be returned to prison to serve the balance of your sentence.
6. Conditional Release – Felony DWI – If you are sentenced to prison for committing the crime of First Degree DWI, you will be required to serve at least two-thirds of the sentence in custody. You will not be eligible for release until you have successfully completed a chemical dependency treatment program while in prison. Once you are released from prison, you will be placed on conditional release for five years. If you violate any of the conditions of conditional release, you may be returned to prison to serve the remainder of the conditional release term in custody.
7. Conditional Release – Criminal Sexual Conduct – If you have been convicted of a criminal sexual conduct offense and you are sentenced to prison, you will be placed on conditional release after you have served the sentence imposed, both in custody and on supervised release. This period of conditional release is for ten years, minus the number of months you were on supervised release. If you violate your conditional release, you may be required to serve all or a part of the remaining portion of the conditional release term in prison.
8. Sex Offender Registration – If you are convicted of a criminal sex offense, or a crime arising out of a sex offense, you may be required to register as a sex offender. Failure to register as required is a crime, and you may be prosecuted and your probation/supervised release/conditional release may be revoked.
9. Probation Fees – If you are placed on supervised probation to DCCC, you may be charged a probation fee. This fee is set by the Dakota County Board of Commissioners and cannot be waived by the Court.
10. Surcharges – In addition to fines that may be imposed as part of your sentence, you will be required to pay a surcharge. The amount of the surcharge is determined by the State and this amount cannot be waived by the Court.
11. Restitution – If you are ordered as a condition of your sentence to pay restitution, you will be required to compensate the victim(s) of your behavior for out-of-pocket expenses. The amount of restitution will normally be determined by DCCC and a payment schedule will be established. If you disagree with the amount determined, you may request the Court to review the amount. Restitution is joint and several. This means that if more than one person is found to be responsible for the damage, they will share the responsibility. However, if one doesn't pay his/her share, the remaining person(s) will be responsible for the entire amount.
12. Notice of Collections - All fines, surcharges, court costs, restitution, and/or fees imposed are due on the date imposed unless the court otherwise establishes a due date or a payment plan. Under Minn. Stat. § 480.15, subd. 10c, any portion of a fine, surcharge, court cost, restitution, or fee that you fail to pay by the due date may be referred for collection, and collection costs may be added to the amount due. If you have agreed to a payment plan but fail to pay an installment when due, the entire amount remaining becomes due and payable and may be referred for collection. You have the right to contest a referral to collections based on inability to pay by requesting a hearing no later than the due date.
13. Revenue Recapture and Driver's License Suspension – If you fail to pay your fines and fees as directed, you may be subject to revenue recapture and, in the case of driving violations, have your driver's license suspended. This basically means that you will not receive any federal or state income tax refunds until your fines and fees are paid. Additionally, you will be assessed a fee if revenue recapture becomes necessary.
14. D.N.A. – If you are convicted of a felony offense, you will be required to submit to D.N.A. testing by DCCC or its designee. This is a mandatory requirement under state law.
15. Stay of Adjudication or Guilty Plea Not Accepted – In this sentencing, the charge against you may be dismissed at the end of the probationary period if you successfully complete or satisfy all conditions of probation, including the payment of any fines or fees in accordance with payment arrangements. If you fail to meet any of the conditions of probation, the guilty plea may be accepted resulting in a conviction for the offense.

Additional mandated fees will be assessed by Court Administration. Payment is due in full 30 days from the date of sentencing unless otherwise noted above. Financial obligations are payable to: District Court by phone w/ Visa/MasterCard 8:00am-4:30pm M-F or by mail

APPENDIX A

1. EHM – If you are placed on Electronic Home Monitoring as a condition of probation, you will be required to meet eligibility requirements and pay a daily fee to be on this program. If you do not meet eligibility requirements, you may be required to serve the EHM sentence in jail. If you violate the EHM Program rules or fail to pay the daily fee, you may be terminated from the Program and your probation may be violated.
2. Work-release – If you are sentenced to serve jail time in the Dakota County Jail, you may, at the discretion of the sentencing Judge, be permitted work-release privileges while serving this sentence. You must meet eligibility requirements of the Sheriff's Department and DCCC and pay the daily work-release fee. If you violate the rules of this program, you may be terminated from the program and your probation may be violated.
3. Jail Credit – If the sentencing Judge awards you credit for time served, you will be credited with the number of days specified in the Sentencing Order. If the credit is not specified in the Sentencing Order, then the number of days credited will be determined by the Sheriff's Department and/or DCCC.
4. Good Time – If you are sentenced to the Dakota County Jail or a state prison, you will be eligible to earn good time off of your sentence. Under normal circumstances, you will serve two-thirds of your sentence in jail. If you violate the rules of the correctional facility, you may lose all or a portion of your one-third good time, and you may be required to serve the entire sentence in jail.
5. Supervised Release – If you are sentenced to the custody of the Commissioner of Corrections to serve a sentence in a state prison, you will serve at least two-thirds of that sentence in custody and the balance, one-third or less, on supervised release. If you violate a condition of your supervised release, you may be returned to prison to serve the balance of your sentence.
6. Conditional Release – Felony DWI – If you are sentenced to prison for committing the crime of First Degree DWI, you will be required to serve at least two-thirds of the sentence in custody. You will not be eligible for release until you have successfully completed a chemical dependency treatment program while in prison. Once you are released from prison, you will be placed on conditional release for five years. If you violate any of the conditions of conditional release, you may be returned to prison to serve the remainder of the conditional release term in custody.
7. Conditional Release – Criminal Sexual Conduct – If you have been convicted of a criminal sexual conduct offense and you are sentenced to prison, you will be placed on conditional release after you have served the sentence imposed, both in custody and on supervised release. This period of conditional release is for ten years, minus the number of months you were on supervised release. If you violate your conditional release, you may be required to serve all or a part of the remaining portion of the conditional release term in prison.
8. Sex Offender Registration – If you are convicted of a criminal sex offense, or a crime arising out of a sex offense, you may be required to register as a sex offender. Failure to register as required is a crime, and you may be prosecuted and your probation/supervised release/conditional release may be revoked.
9. Probation Fees – If you are placed on supervised probation to DCCC, you may be charged a probation fee. This fee is set by the Dakota County Board of Commissioners and cannot be waived by the Court.
10. Surcharges – In addition to fines that may be imposed as part of your sentence, you will be required to pay a surcharge. The amount of the surcharge is determined by the State and this amount cannot be waived by the Court.
11. Restitution – If you are ordered as a condition of your sentence to pay restitution, you will be required to compensate the victim(s) of your behavior for out-of-pocket expenses. The amount of restitution will normally be determined by DCCC and a payment schedule will be established. If you disagree with the amount determined, you may request the Court to review the amount. Restitution is joint and several. This means that if more than one person is found to be responsible for the damage, they will share the responsibility. However, if one doesn't pay his/her share, the remaining person(s) will be responsible for the entire amount.
12. Notice of Collections - All fines, surcharges, court costs, restitution, and/or fees imposed are due on the date imposed unless the court otherwise establishes a due date or a payment plan. Under Minn. Stat. § 480.15, subd. 10c, any portion of a fine, surcharge, court cost, restitution, or fee that you fail to pay by the due date may be referred for collection, and collection costs may be added to the amount due. If you have agreed to a payment plan but fail to pay an installment when due, the entire amount remaining becomes due and payable and may be referred for collection. You have the right to contest a referral to collections based on inability to pay by requesting a hearing no later than the due date.
13. Revenue Recapture and Driver's License Suspension – If you fail to pay your fines and fees as directed, you may be subject to revenue recapture and, in the case of driving violations, have your driver's license suspended. This basically means that you will not receive any federal or state income tax refunds until your fines and fees are paid. Additionally, you will be assessed a fee if revenue recapture becomes necessary.
14. D.N.A. – If you are convicted of a felony offense, you will be required to submit to D.N.A. testing by DCCC or its designee. This is a mandatory requirement under state law.
15. Stay of Adjudication or Guilty Plea Not Accepted – In this sentencing, the charge against you may be dismissed at the end of the probationary period if you successfully complete or satisfy all conditions of probation, including the payment of any fines or fees in accordance with payment arrangements. If you fail to meet any of the conditions of probation, the guilty plea may be accepted resulting in a conviction for the offense.

Additional mandated fees will be assessed by Court Administration. Payment is due in full 30 days from the date of sentencing unless otherwise noted above. Financial obligations are payable to: District Court by phone w/ Visa/MasterCard 8:00am-4:30pm M-F or by mail

Incident Report Number 21-002056	Incident Location: Ravenna Trl/18TH St, Hastings, MN, 55033	Incident Date: 10/14/2021
<p>NARRATIVE</p> <p>On 10/14/21 at 23:07 hours I, Officer Walser, was parked on 10th Street E near Bailly Street facing eastbound when I observed a vehicle (2016 White Mercedes-Benz C LIC/EWW036 Sedan) traveling east bound on 10th Street E. I knew the registered owner of the vehicle was Gregory Brannon DOB/1976-10-23 whom had a suspended driver's license. I confirmed in DVS that his license was still suspended. I initiated a traffic stop on the vehicle near the intersection of Ravenna Trail and 18th Street E.</p> <p>I approached the driver and recognized him to be Gregory Brannon DOB/1976-10-23. Greg advised he was giving the passenger, later identified as Kayla Marie Cusey DOB/1993-05-07, a ride home. Greg advised he would call a valid driver as he knew he had a suspended license. As I was speaking with Greg I observed a half smoked brown marijuana cigarette on the floor in the back seat. I knew it to be a marijuana cigarette from training and experience, and because I had previously seized one from Greg.</p> <p>I instructed Greg and Kayla to step out of the vehicle. I advised Greg I had probable cause to search the vehicle due to the marijuana cigarette being in plain view.</p> <p>I searched the vehicle and seized the cigarette.</p> <p>Due to Greg driving a motor vehicle with a suspended driver's license I issued him citation #190321902199 for MN State Statute #171.24.1 Driving After Suspension. I warned him for the marijuana. Gregory was advised to have a valid driver pick him and the vehicle up.</p> <p>I transported the marijuana to the Police Department and entered it into evidence to be destroyed.</p> <p>My BWC was activated.</p> <p>Case Status: Citation.</p> <p>Squad Video: No</p> <p>Photos: Yes</p> <p>Refer Adult Services: No</p> <p>Refer Juvenile Service: No</p> <p>Physical Evidence: Yes</p> <p>Body Cam: Yes</p> <p>Statements: No</p>

NARRATIVE

On 7/4/2024 at 19:24 hours I, Officer Mike Running, was patrolling around the 4th of July events near the Hastings Golf Club at 2015 WESTVIEW Drive. While driving on Southview Drive, I saw an Ice Cream Truck turning onto Westview Drive approaching the event. I have been advised this Ice Cream Truck does not have the operating license to be a vender within the City. I watched as the male driver pulled into the Golf Club and open the side window for sales. The registered owner of the truck, Gregory Brannon DOB/1976-10-23, also had a suspended driver's license. The truck came back as 1997 CHEV P30 LIC/YAJ8260 INCOMPLETE (STRIP CHASSIS).

I approached the man now sitting in a chair in the back of the truck who identified himself as Brannon. I advised him he did not have the correct license to be operating Ice Cream Sales in the City of Hastings. I also advised him he would not be allowed to sell any Ice Cream at the event. Brannon stated he had turned in all the paperwork, but he was not granted the license. I told him he would have to bring that up with the City. As I also saw him driving, I would be citing him for driving after suspension. Brannon had his girlfriend come and move the truck out of the parking lot.

As Gregory Brannon was seen driving a motor vehicle and his driver's license was suspended, he was cited (Citation# 190324902457) for driving after suspension [MN § 171.20.2(a)].

STATEMENT OF PROBABLE CAUSE

On September 28, 2021, Agent Latsch of the Dakota County Drug Task Force (DCDTF) executed a knock and announce search warrant in Goodhue County at the location of 15783 Dakota Circle, Welch, Minnesota 55089. Prairie Island Police Department had been monitoring cameras in the neighborhood and advised Agent Latsch the subject of the investigation, GREGORY BRANNON (DOB: 10/23/1976), left approximately an hour before execution of the warrant. The owner of the residence, Raquel Wells-Jacobson, had been seen at the residence about the same time, but also left.

Agents knocked on the door and announced loudly, but no one came to the door. DCDTF forced entry into the residence at approximately 1:30 p.m. by breaching the door. A second door had to be breached in the entry way to gain entry into the residence. The residence was cleared, and no occupants were located. Two doors upstairs had to be breached as well to clear and search the residence.

Once the residence was secured, DCDTF agents photographed and searched the residence. Bedrooms were given designations prior to photographing. Things of note on those designations included male clothing items and a MN ID for Gregory Brannon in Bedroom G. In Bedroom H, agents found what appeared to be all female items and a social security card for Raquel Wells-Jacobson. The following items were located during the subsequent search.

- Item #1- THC Cartridge located inside a safe in Bedroom G by Agent Grimes
- Item #2- 19 Sildenafil tablets located inside a safe in Bedroom G by Agent Grimes
- Item #3- THC Cartridge located inside a safe in Bedroom G by Agent Grimes
- Item #4- Green leafy substance located inside Bedroom G in a plastic shelf by Agent Carlson
- Item #5- Brown powdery substance located in Bedroom H in the middle dresser by Agent Beckman
- Item #6- Blue M30 pills located in Bedroom G inside a vitamin container in the nightstand by Agent Carlson
- Item #7- Two glass bubble pipes located in Bedroom G in the closet by Agent Latsch
- Item #8- Powder from a platter in Bedroom H on the dresser by Agent Latsch
- Item #9- Black Smith and Wesson handgun with serial number HUN5463 located in Bedroom G on top of entertainment stand by Agent Ordorff
- Item #10- Two magazines/ammunition/holster located next to the Smith and Wesson handgun by Agent Ordorff
- Item #11- Taurus Millennium G handgun with serial number TKR68680 located in Bedroom H inside a safe by Agent Bowman
- Item #12- Ammunition located in Bedroom H inside a safe by Agent Bowman
- Item #13- Baggy of white powder substance located in Bedroom H in top drawer of nightstand by Agent Scovill
- Item #14- \$14,165 in US Currency located in Bedroom G inside a safe by Agent Grimes
- Item #15- Miscellaneous drug paraphernalia located throughout the residence by Agent Latsch
- Item #16- Remington 1100 12 gauge shotgun located in the living room inside a safe by Agent Bowman

All the items above were seized and transported back to DCDTF where Agent Latsch processed them. Item #5 tested presumptive positive for heroin and was sent to the lab for further testing. The net weight of the substance was 5.05 grams. The pills in Item #6 were identified using drugs.com as oxycodone hydrochloride. However, based on Agent Latsch's training and experience, he suspected the pills to be counterfeit so the pills were sent to the lab for further testing. The total number of pills amounted to 86.

Forensic Scientist Kristin Kamerud of the Minnesota Bureau of Criminal Apprehension (BCA) examined Item #5 and her analysis revealed the presence of methamphetamine, a schedule II controlled substance. Forensic Scientist Kamerud examined Item #6- one of the 86 pills- and her analysis showed the presence of fentanyl, a narcotic drug and schedule II controlled substance. Her examination of Item #6 also showed the presence of 4-anilino-N-phenethylpiperidine (ANPP), a schedule II controlled substance.

On October 6, 2021, Agent Latsch responded to 15783 Dakota Circle to meet with BRANNON and Wells-Jacobson regarding the search warrant executed at the residence. Upon arrival, Agent Latsch obtained a statement from Wells-Jacobson who identified Bedroom G as belonging to BRANNON and Bedroom H as belonging to her. She stated both had safes to keep their property secure. Wells-Jacobson said BRANNON had been renting Bedroom G from her since June. She said she had access to the room, but never went in. The money seized did not belong to her.

As it pertained to the items located in her room, Wells-Jacobson advised the handgun in her safe was left behind by a previous renter and did not belong to her. The baggie of cocaine in her room belonged to her as she was a casual cocaine user. The other baggie along with the platter on her dresser belonged to her boyfriend who she advised did not live with her. Wells-Jacobson did not know the bag contained heroin. Despite her statements to this, it should be noted no other

property was located in that room that appeared to belong to a male and the baggie was located along with all of what appeared to be Wells-Jacobson's property.

During her statement, Wells-Jacobson said she would be surprised if BRANNON had a gun. She knew the previous renters had guns. She then directly addressed the gun located in Bedroom G and said she had never searched up high in the bedroom before renting the room to BRANNON. Agent Latsch never advised Wells-Jacobson of the exact location of the gun, and she appeared to be addressing it directly, knowing where it was, despite stating she did not know of the gun being in the room in the first place. She seemed to be attempting to make it appear the gun did not belong to BRANNON. However, she denied this was the case.

Agent Latsch then spoke with BRANNON. BRANNON admitted to having some pills, but said something similar to "nothing in the furniture was mine." During his statement, BRANNON admitted to purchasing blue Percocet pills in bulk for about \$8 a pill. BRANNON did not know how many were in the bag and simply asked how much he could get for a certain dollar amount. BRANNON denied selling the pills and claimed they were for personal use despite having such a bulk amount of them. BRANNON references he had been told they were real Percocet, but BRANNON seemed to know the pills were fake without Agent Latsch telling BRANNON they were.

When asked what else would have been found in his room besides pills, BRANNON said nothing. BRANNON adamantly denied owning the firearm located on top of the entertainment center in Bedroom G and BRANNON said he did not even know a gun had been found there. Agent Latsch advised BRANNON of a search warrant he had for BRANNON's DNA. BRANNON's body language quickly changed while discussing the firearm as he began to avoid eye contact, look downward, and fidget.

As Agent Latsch began preparing to obtain a DNA swab, BRANNON said even if his DNA was on the gun it did not mean it was his. He said just because he knew the gun was there and maybe moved it did not mean it was actually his. BRANNON was provided a copy of the search warrant for his DNA. After obtaining a sample, the buccal swabs were placed in a sealed container inside the DNA swab envelope. The swab was brought back to the drug task force and entered into evidence tracker. Agent Latsch marked both the swab and gun to go to the (BCA) for DNA analysis. Forensic Scientist Samantha Nath examined Item #9- the Black Smith and Wesson handgun with serial number HUN5463- and it failed to reveal any latent prints that were suitable for further examination.

A review of BRANNON'S criminal history shows he has a felony conviction of possession of over 1.4 grams of marijuana in a motor vehicle from 2021. In addition, BRANNON was convicted of Threats of Violence under Minn. Stat. section 609.713, subd. 1, which is classified as a crime of violence under Minn. Stat. section 624.712, subd. 5.
