

City Council Memorandum

To: Mayor Fasbender & City Council Members
From: Ryan Stempiski – Public Works Director
Date: June 5, 2023
Item: Contract Award for 2023 Sanitary Sewer Lining Program

COUNCIL ACTION REQUESTED

Council is requested to adopt the attached resolution to award a contract for the 2023 Sanitary Sewer Lining Program project.

BACKGROUND INFORMATION

The City received four bids for this project on April 13th, 2023. A summary of the bids is listed below.

<u>Bidder</u>	<u>Total Bid</u>
Musson Brothers Inc. – Waukesha, WI	\$559,602.50
Visu-Sewer, Inc. – Pewaukee, WI	\$576,999.00
Insituform Technologies – Chesterfield, MO	\$586,562.50
BLD Services – Kenner, LA	\$593,416.00

The Sanitary Sewer Lining Program budgets \$350,000 every other year (odd years) to rehabilitate sanitary sewer pipe in need across the City. In 2023 another \$182,000 was added to include the lining work required on the 2023 Neighborhood Infrastructure Project and to address defective areas identified during routine televising investigations along TH 61. This was done to avoid the cost of multiple mobilizations and for economies of scale during the bidding process. Unfortunately, we learned there has been over a 30% increase in costs for the petroleum-based products used in the lining program since 2021. Staff still believes this work needs to get done to address our aging sanitary sewer system in the most cost-effective manner.

CONTRACTOR QUALIFICATION

The City has confirmed qualifications of Musson Brothers Inc. on sewer lining projects in the industry. Staff also confirmed that Musson Brothers Inc. bid bond is valid.

FINANCIAL IMPACT

The sewer enterprise fund will cover the overage of the planned lining work, which increased from \$350,000 to \$378,000 due to cost of materials. Additionally, utility revenue bonds were increased to cover the cost of the 2023 Neighborhood Project work and additional rehabilitation work of defective lines along TH 61 (total of \$182,000).

STAFF RECOMMENDATION

Staff is recommending that the City Council move forward in adopting the attached resolution awarding the contract to Musson Brothers Inc., in the amount of \$559,602.50.
